Working with Words

	Fry Words Students learn the 1000 most frequent sight words using audio, voice and written words on flash cards or in game mode. Additional words can be added to created customizable lists.	Free
	Sight Words Flash Cards Recognize common words by sight and sound. Each grade has a question mode to test and enhance reading skills. By clicking the flag button, additional words can be added to the practice list. (PreK-Gr. 2)	Free
	Bluster! A word matching game that includes over 800 vocabulary words. Students match rhyming words, prefixes and suffixes, synonyms, homophones, adjectives, and more. (Gr. 2-4)	Free
	Word to Word Students have to match words that are associated to each other. Words can be opposites, mean the same thing, or be compound words. As the puzzles get harder, words can be matched to more than one word.	Free (40 puzzles) 2.99 full version
	Word Stack Free Students have to stack and match words that are connected to each other in an order so that the words build upon each other. Words can be synonyms, antonyms, compound words, or related.	Free (40 puzzles) 1.99 full version
	Word Abacus Find words by selecting a connected chain of beads. Words must have 3 or more letters. Shift the letter beads like an abacus to increase word possibilities.	Free 1.99 full version
	Chicktionary Unscramble letters to create as many words as possible. Each hen bears a letter. Touch the hens and spell out a word which appears below the chickens. Press enter to submit the word into the egg crates. The more words created, the more points. Shake the iPad to shuffle the letters or drag hens to reorder the letters.	Free (100 puzzles) .99 extra puzzle packs
	WordsPyramid At the top of the pyramid you will be given two letters. You have to add a letter to the previous word to make a new word. You can rearrange the letters and will keep adding one letter to create new words.	Free .99 to remove ads
	Word Calc Enter letters and it provides different words that can be created using those letters.	Free

	Word Monster Find words that will fill in the blanks to form common words and phrases. Click or drag letters that connect. Each letter is used one time in each puzzle. The number of letters in each word is shown next to the clue.	Free (41 puzzles) .99 extra puzzle packs
	Word Shaker HD Free Drag finger over letters to create words. Words don't have to be in a straight line. If you get stuck, shake the iPad to scramble letters	Free 1.99 full version
	Daily Word Bingo Complete the bingo card by getting 25 different answers for the same subject. Each day is a new game with a different subject.	Free 1.99 full version
	WordFloat Tap lettered balloons to spell words and keep your balloons from popping.	Free
	Word Bash Crossword puzzle that is centered around a theme. Will tell you when you have the right word but in the wrong space.	Free (10 puzzles) 0.99 (80 more)
	Scramble Fast, fun game of finding words in a jumbled grid. Works just like the game "Boggle".	Free
	Whirly Word Free See how many words you can create from 6 letters.	Free
	Word a Day Features a word of the day with visuals (humorous illustration) and audio (professionally narrated). Allows you to save past words, keep a list of favorite words, and skip ahead if you already know the word of the day.	0.99
	Word Buster String together letters to create words before an evil sea mine reaches the ocean floor.	Free
	Spellitaire Free A unique word game similar to Solitaire. Try to spell the longest words you can.	Free 1.99 full version
	Jumpline 2 Free for iPad Scramble and twist your brain to make words from jumbled lines of letters. Rearrange the scrambled letters into words, and underline them with your finger to score points	Free
	Word to Word Themes Match words using the theme of the puzzle as the clue like Animals, Food, or Cars	Free (40 puzzles) 1.99 full version
	RhymieStymie Fun rhyming word game. Use the clue to determine the two word rhyming answer.	Free .99 more puzzles

Dictionary

	Merriam-Webster Dictionary HD Includes a voice search for words to look up a word without having to spell it. Contains a word of the day, integrated thesaurus, and you can indicate favorite words.	Free 3.99 premium edition and no ads
	Merriam-Webster Learner's Dictionary Great dictionary for English language learners. Contains voice search to look up a word without having to spell it. Contains audio pronunciations, word of the day, and favorites.	Free 4.99 premium edition and no ads
